

## QUALITY POLICY

The management of Canuck Compounders Inc. is committed to:

- *Supplying product and services which meet our customer's expectations and needs as specified in their quality requirements.*
- *Providing an atmosphere in which continual improvement is a normal part of each employee's daily activities. Quality objectives are set and reviewed to assist in the continual improvement process.*
- *Satisfying all applicable Government regulatory policies and requirements.*
- *Cultivating co-operation and mutual respect with all employees and suppliers.*
